## DEPARTMENT OF DEFENSE DEFENSE INTELLIGENCE AGENCY WASHINGTON 25, D.C.

a. 2. 1200

20 JUN 1363

Mr. Arthur C. Lundahl Director National Photographic Interpretation Center Washington, D.C.

Dear Art:

I have been advised of the outstanding presentation given by members of your Photo Analysis Group on Thursday, 13 June 1963 to members of a special DIA missile task force. As you know, we are vitally concerned with certain technical aspects of Soviet missile developments and are required to conduct periodic assessments of these systems and to effect review of our intelligence judgments with regard to these systems.

I would like to extend my congratulations to you and your staff for a job well done and to reaffirm the high level of confidence we have in work accomplished by your organization.

Sincerely,

ROBERT R. CLASS

Brigadier General, USA Acting Chief of Staff
